MSc Child & Adolescent Counselling & Psychotherapeutic Skills 2018-2019

PCI College
Excellence & Innovation in Psychological Education
Established 1991

This programme is designed for students who wish to gain specialist training and a Level 9 Masters qualification in counselling & psychotherapy for teenagers and children under 18.
Validated by Middlesex University.

About the Course

Exploring creative media such as art, sandplay, therapeutic storytelling, drama, music and other approaches, this course places significant emphasis on experiential learning and the acquisition of key skills for work with young clients. It draws on established and current theory in counselling and psychotherapy, up to date approaches in child and adolescent mental health, lifespan development, family systems and trauma.

Students will also engage in clinical placement work of 100 hours over the duration of the course to put into practice the skills and knowledge gained in the programme. Individual clinical supervision will be required and personal therapy is required for students.

This is a 24 month course; 4 modules in Year 1 and 5 modules in Year 2. Each module is 30 hours duration. Students must complete all modules and assignments, plus a Case Study and Thesis to meet the requirements of the MSc Award.

The course is recommended for counsellors, psychotherapists, teachers, guidance counsellors, youth workers, social workers, social care workers, psychologists and others working with children and adolescents.

Course Duration: 24 months; Commencing 22nd September 2018—This course will take place at weekends (Saturday & Sunday, approx. 1 weekend per month from September to June)
